**Memorandum of Understanding
between
SELANGOR HUMAN RESOURCE DEVELOPMENT CENTRE
and FSBM MES ELITE SDN BHD**

Kuala Lumpur, 8th May 2023 – FSBM Holdings Berhad (“FSBM”) is pleased to announce that its wholly owned subsidiary FSBM MES Elite Sdn Bhd (“FMES”) signed a Memorandum of Understanding (“MoU”) with Selangor Human Resource Development Centre (“SHRDC”) for the joint collaboration in application-based research and development (“R&D”) in technology applications suited for industrial applications.

This MoU was signed by Pang Kiew Kun, Executive Director of FSBM Holdings Berhad, and Teh Sook Ling, Executive Director of Selangor Human Resource Development Centre (SHRDC).

The two-year industry collaboration is designed following SHRDC's Malaysia Smart Factory 4.0 (“MSF4.0”) program and initiative. Accordingly, the MoU will facilitate talent development programs and initiatives through hands-on and competency-based training.

During implementation, FMES and SHRDC will collaborate to exchange information and share best practices, as well as marketing and promotional activities. In addition, the two parties will jointly create case studies and white papers demonstrating the successful implementation of smart manufacturing technologies in different industries.

Pang Kiew Kun believes that the cooperation with SHRDC will encourage Malaysian industries, especially SMEs, to transform to Industrial Revolution 4.0 (“IR4.0”) and strengthen technological innovation.

FMES is primarily engaged in provision of industry digitalization transformation, IoT solution manufacturing execution system integration and smart manufacturing solutions.

-ENDS-

Please note that all press releases must be posted after 5pm. Thank you for your cooperation.

About FSBM HOLDINGS BHD

FSBM Holdings Berhad (FSBM, 9377) was incorporated in 1984 as Talasco Computers Sdn Bhd. In 1991, Talasco Computers Sdn Bhd changed its name to Fujitsu Systems Business (Malaysia) Sdn Bhd and was subsequently listed on Bursa Securities (then known as the Second Board of the Kuala Lumpur Stock Exchange) in 1994.

In 2001, the Company diversified its business to sell non-Fujitsu products and services and extended its business activities outside of Malaysia, resulting in a change in company name to its present name, FSBM Holdings Berhad. The Company was subsequently transferred to the Main Market of Bursa Securities following the merger of the Main Board of Bursa Securities and the Second Board of Bursa Securities. During that time, the Company has been focused on four business divisions, namely provision of IT services, communications and networking services, education and training services and healthcare.

The Company is now focusing on developing its IT services segment and smart manufacturing solution segment, where the Group designs and develops customized IT solutions and Smart solutions. The range of services the Company offering are:

- Platform Design and Development
- Technical Support and Maintenance Services
- Refurbishment and/or lease/rental services
- Managed Security Services
- Smart Manufacturing Solutions

About Selangor Human Resource Development Centre

The Selangor Human Resource Development Centre is a not-for-profit and an award-winning talent and skills development centre that was established through a tri-patriate partnership between the Government and industry on the 14th February 1992. Ever since, we have been the go-to destination for professional training and talent development. With our ISO certification, we are committed to delivering high-quality training services that meet the diverse needs of different industries.

Over the years, we have trained over 100,000 individuals and developed long-lasting partnerships with esteemed clients. Our training programs cover a wide range of industry skillsets, including Solar Renewable Energy, Smart Factory, Footwear, Aerospace, ICT, and Environmental, Social and Governance (ESG) training. We also offer other development programs that cater to essential skills and industry 4.0 under the Malaysian Smart Factory (MSF) 4.0.

Our highly experienced trainers are industry experts who use the latest training methods and techniques to ensure that our participants acquire the necessary skills and knowledge required for their respective industries. At SHRDC, we are passionate about empowering individuals to achieve their full potential and driving business success through exceptional training and development services.

Under the leadership and guidance of our current Executive Director, Ms. Teh Sook Ling, our team of 40+ employees across multiple departments is committed to creating a conducive learning environment that fosters growth, development, and innovation. We believe that investing in people is the key to success, which is why we provide exceptional training and development services that drive business growth and success.
